## Keystone Honors Academy

### ABOUT

#### About the Keystone Honors Academy

The Cheyney University Keystone Honors Academy is the catalyst for university wide activity committed to an enhanced scholarly environment that stimulates and enriches the lives of the entire campus community. The program is a permeable, far reaching hub for intellectual discourse and vibrant scholarship. Through extensive programmatic offerings, the Keystone Honors Academy is a source of inspiration to all of our students to discover new intellectual interests and to foster lifelong learning. The Academy takes a holistic approach to student development, and seeks to graduate students who are academically accomplished, visionary leaders and responsible citizens.

Through an exciting array of small classes taught by experienced faculty and through contact with other like-minded undergraduates, the academy provides an intellectual home for curious, adventuresome, and enthusiastic students. Those who enjoy dialogue and debate, involvement in the world of ideas and opinions, and a willingness to experiment with unfamiliar concepts thrive in the Keystone Academy.

The Keystone Honors Academy offers special challenges and opportunities to a small number of academically talented undergraduate students.

Students of high academic achievement are eligible to apply for a number of [scholarships](#). A unique program, the [Keystone Scholarship](#) provides full tuition, room, board and fees, laptop computers, and participation in the offerings of the Academy for students who qualify. The Academy fosters collaborative relationships between students and distinguished faculty through small classes, and a wide array of interdisciplinary learning activities. The Living Learning Center is the site for many Academy activities, and a residential facility for academy students.

Students who graduate from Cheyney University with high academic performance are eligible for the [Bond-Hill Scholarship Program](#), which provides full tuition to qualified students to attend approved graduate programs at the Pennsylvania State University, Temple University, and the University of Pittsburgh.
